THANK YOU VERY MUCH!

It was a pleasure working with you all.

All manuscripts submitted for publication in Landbauforschung – *Journal of Sustainable and Organic Agricultural Systems* undergo a double-blind peer review process. We, the whole editorial team and the publisher, would like to express our gratitude to all colleagues listed below who acted as reviewers for this special issue. We are grateful to the time and effort reviewers donate reviewing the papers in all versions.

- Karen Beauchemin, Agriculture and Agri-Food Canada (AAFC), Canada
- Tommy Boland, University College Dublin (UCD), Ireland
- Gabriela Cruz Brasesco, University of the Republic (UDELAR), Uruguay
- Ulrich Dämmgen, Thünen Institute of Climate-Smart Agriculture, Germany
- Heinz Flessa, Thünen Institute of Climate-Smart Agriculture, Germany
- Annette Freibauer, Bavarian State Research Center for Agriculture (LfL), Germany
- Margaret (Maggie) Gill, University of Aberdeen, United Kingdom
- Cécile Ginane, Institut National de la Recherche Agronomique et Environnement (INRAE), France
- John Goopy, International Livestock Research Institute (ILRI), Kenya
- Ab (Albert Pieter) Grootjans, University of Groningen (RUG), The Netherlands
- Jochen Hahne, Thünen-Institute of Agricultural Technology, Germany
- Nora Hammer, German Livestock Association (BRS), Germany
- Brian G. Henning, Gonzaga University, United States of America
- Matthias Koesling, Norwegian Institute of Bioeconomy Research (NIBIO), Norway
- David Landholm, Potsdam Institute for Climate Impact Research (PIK), Germany
- Adrian Leip, European Commission, Joint Research Centre (JRC), Belgium
- Peter Løvendahl, Aarhus University, Denmark
- Florencia Montagnini, Yale School of Forestry & Environmental Studies (F&ES), United States of America
- Ole-Kenneth Nielsen, Aarhus University, Denmark
- Urs Niggli, Research Institute of Organic Agriculture (FiBL), Suisse
- Tim Pagella, Bangor University, United Kingdom
- Valentin D. Picasso Risso, University of Wisconsin-Madison, United States of America
- Thorsten Reinsch, Kiel University (CAU), Germany
- Florence Renou-Wilson, University College Dublin (UCD), Ireland
- Angela Schwarm, Norwegian University of Life Sciences (NMBU), Norway
- Diego Thompson, Mississippi State University (MSU), United States of America
- Stephan Welp, Verein zur Förderung der bäuerlichen Veredelungswirtschaft (VzF), Germany
- Adrian G. Williams, Cranfield University, United Kingdom
