THANK YOU VERY MUCH!

It was a pleasure working with you all.

All manuscripts submitted for publication in Landbauforschung – *Journal of Sustainable and Organic Agricultural Systems* undergo a double-blind peer review process. We, the whole editorial team and the publisher, would like to express our gratitude to all colleagues listed below who acted as reviewers for this special issue. We are grateful to the time and effort reviewers donate reviewing the papers in all versions.

- Sigrid Agenäs, Swedish University of Agricultural Sciences (SLU), Sweden
- Annabelle Beaver, University of British Columbia, Canada
