

VOL. 70(2)2020

Acknowledgements to our Reviewers

Agroecology – Can we change our food systems?

For the editorial team

Ute Rather

Editor Landbauforschung

Thünen Institute of Organic Farming

Ute Rather

THANK YOU VERY MUCH!

It was a pleasure working with you all.

All manuscripts submitted for publication in Landbauforschung – *Journal of Sustainable and Organic Agricultural Systems* undergo a double-blind peer review process. We, the whole editorial team and the publisher, would like to express our gratitude to all colleagues listed below who acted as reviewers for this special issue. We are grateful to the time and effort reviewers donate reviewing the papers in all versions.

- Sijuwade Adebukola Adebayo, University of Ilorin, Nigeria
- Jan Bengtsson, Swedish University of Agricultural Sciences (SLU), Sweden
- Hamid El Bilali, Mediterranean Agronomic Institute of Bari (IAM-B), Italy
