THANK YOU VERY MUCH!

It was a pleasure working with you all.

All manuscripts submitted for publication in Landbauforschung – *Journal of Sustainable and Organic Agricultural Systems* undergo a double-blind peer review process. We, the whole editorial team and the publisher, would like to express our gratitude to all colleagues listed below who acted as reviewers for this special issue. We are grateful to the time and effort reviewers donate reviewing the papers in all versions.

- Karen Aulrich, Thünen Institute, Germany
- Herwart Böhm, Thünen Institute, Germany
- Sandra Edwards, Newcastle University, United Kingdom
- Eduardo Pahor Filho, Instituto Municipal de Ensino Superior de Bebedouro Victório Cardassi (IMESB), Brasil
- Ulfert Focken, Thünen Institute, Germany
- Wilhelm Knaus, BOKU - University of Natural Resources and Life Sciences, Austria
- Anne Grete Kongsted, Aarhus University, Denmark
- Vito Laudadio, University of Bari Aldo Moro, Italy
- Geoff Simm, The University of Edinburgh, United Kingdom
- Lene Stødkilde-Jørgensen, Aarhus University, Denmark
- Chunxiao Zhang, Jimei University, Xiamen, China
- Werner Zollitsch, BOKU - University of Natural Resources and Life Sciences, Austria
